Barefoot Bowls Packages

Barefoot Bowls

Barefoot Bowls is a great way to relax with family and friends. It is also a great team building event. Previous experience is not required as club members will be available to help. So, come along, kick off your shoes and have some fun! To add atmosphere to your event music can be played whilst bowling.

About our Club

Buderim Bowls Club has two carpet greens that are covered during the day by retractable shades. These shades have an extremely high UV protection rating that allows you to play during the heat of the day without getting burnt. At night, the shades are retracted, and the front green is lit up with flood lighting that allows you to enjoy the cool of the evening whilst playing under the stars.

The Basics of Barefoot Bowls

Barefoot games are held over a period of up to 2 hours.

You will play on a carpet green that is divided into 8 rinks (lanes)

A maximum of 10 people re rink (lane)

Each player bowls two bowls from a mat that is located at one end of the green. When delivering the bowl, the small circle faces in towards the inside. This allows the bias to curve your bowl. During the game, you will bowl from alternate ends of the rink (lane)

The aim is to get you bowl as close to the little yellow ball (Jack)

The team closest to the Jack wins the end and gets a point. An end is completed when all players on the rink (lane) has played both bowls. The team with the most points at the end of the game wins. A game can be a predetermined number of ends ie 5 or could be a timeframe ie 2 hours.

Age Limit

Players must be 10 years or older. All minors to be supervised by accompanying adult.
