

The President's Report

by Alan Johnson

Welcome to our last Bulletin for 2018. It's been a very busy year but a successful year for the Club. In November the team from Synthetic Bowling Solutions (SBS) returned to repair the anomaly on the front green, an obligation from acceptance testing mid-year. I am satisfied that the issue has been resolved. There are some other minor imperfections that I am working with SBS to resolve. I'd like to thank Jon Herriot and other volunteers for supporting the SBS team.

I am very pleased to report that the Ladies Club have agreed to a proposal to fund replacement of our aged oven/cooker in the kitchen. The old unit has reached the end of its natural life and will be replaced with a Cookrite 8 Burner combination cooker/oven to the value of \$7000. I would like to thank the Ladies Committee and members for their contribution.

The very successful November Fours event was conducted over the weekend 24-25 November. Thanks to our generous sponsors; Manawee Garden Centre, Harcourts Buderim – Richard Meacle, Kruger Law, Star Liquor and Synthetic Bowling Solutions. Thanks also to our many volunteers who toiled away before, during and after the tournament to make it a

success. Notable contributions include Rischard Meacle who worked hard to fill the field and to Trish Colburn with coordinated and provided the meals. Congratulations to the Alan Neumann Team on their win.

In the new year we will call for nominations for the 2019 Management Committee. It is an honour to serve you Club on the Committee by managing the day to day affairs of the Club and plan for the future. I urge you all to consider nominating for the 2019 Committee.

I'd like to thank my Committee, sponsors, volunteers, staff and community friends for a very successful 2018 and wish you all a safe and Merry Christmas and New Year.

Senior vice president's report

First of all I would like to sincerely thank all of the sponsors of the Buderim Bowls Club for 2018. I encourage everyone to get behind these businesses and show your support for them.

I am pleased to announce that Suncoast Caravan Repairs have come on board again for the 2019 Winter Week of Bowls, with \$2500 in sponsorship. These guys were great in 2018 coming up every afternoon to do the presentations and enjoy a couple of cold ones. Thank you very much for coming on board again.

I will be stepping down from this position in 2019 so I encourage anyone that can dedicate the time to the role to put their hand up.

Sponsorship is the key role of the SVP and I can't donate the time required to this unfortunately.

CHRISTMAS PARTY

A big thank you to everyone who helped me with the Christmas Party, especially Fiona as without her help we could not have got the job done. From setting tables to polishing the cutlery, I had great support, so thank you. Can't wait for the new stove to be installed.

To Dave Shearer for organising the band and encouraging the neighbourhood to come along on the evening and enjoy the music of "A Fine Line". These guys played great Aussie classics and had the dance floor full.

Some great pics on the back page of everyone enjoying themselves.

Thanks to everyone involved, the November Fours was a great success. As the Raffle prizes were donated by club members, we made a 100 per cent profit.

We have a new supplier for the Meat Tray Raffles for Jackpot Pairs, Thursday Afternoon Pairs and Men's Social on Saturdays. Walker's Gourmet Meat & Chicken are located in the Buderim Central Shopping Centre, Lindsay Road, Buderim. Walkers also deliver the meat trays to the bowls club. I suggest you pay them a visit and tell them that you are from the Buderim Bowls Club. They have good quality meat at a reasonable price.

I would like to wish everyone a Merry Christmas and a Happy New Year 2019.

The 2019 Club Fours has begun with the idea of clearing it before the end of the year. A new idea which has had its problems as not all agree with the approach of attempted inclusiveness and flexibility preferring the standard method of set dates and times.

Following some earlier umpiring difficulties it was pleasing to see Peter Galloway, Steve Mason, Jeff Paterson, Brian Perrin, Brian Sarjent and Peter Woods be accredited as Umpires with Lin Sarjent to complete in the near future. Barry Ashby is also accredited and assisted in the two day training course with Ian Hazell. Barry is in the process of updating our umpiring tools which will assist in the ease of decision making.

Merv Mc Neil has been the skip and lead in the recommencement of Monday night pairs and it is pleasing to see so many new faces attending. Any volunteers who could spare an hour on Monday nights between 5.30 to 6,30pm to prepare the BBQ would be appreciated. Just contact Merv.

Just a reminder to all bowlers who are nominating for Thursday Mens Pairs and Jackpot Pairs that you need to nominate on the respective lists a skip and lead if you or your partner are unavailable it is your teams responsibility to find a substitute. It is not OK to simply cross out a name. If you cannot find a substitute remove both names and place your available player on the spares list.

Flight Centre a "good sponsor" for many years is allocated the second Saturday of each month. It is proposed to return to the previous format in January 2019 of no cash for winners on those days but entries of two each to the winners and one each for the runners up which will go into a three monthly draw for a \$300 Flight Centre Gift Voucher to be used only at the Buderim venue. Sponsors are key to the success of the club and should be positively supported in the manner they choose to provide sponsorship.

Bowlers the Games Committe thanks you for your support during the year and wish you a safe and enjoyable Festive Season.

November 4's weekend

We hosted a very successful November Fours Tournament. Notwithstanding a couple of hiccups, the event went smoothly thanks to good planning and enormous effort by many club volunteers who umpired, served, cleaned up, counted and welcomed. There are too many volunteers to mention every name but I would like to extend special recognition and thanks to Richard Meacle for his efforts to fill the field, Col Harris for scoring the results, and to Trish Colburn for coordinating catering for the weekend. It was a great effort by all concerned.

Also a big thanks to our sponsors for the weekend:

Synthetic Bowling Solutions

WINNERS: Alan Newman's team.

RUNNERS-UP: Phil Holden's team.

outgoing ladies president's report

by Alva Ogden

Reflecting on this past year, it has been a busy one for the Ladies' club. Several Mixed events were held, including Australia Day, St Patrick's Day, Autumn and Spring Medleys, President's Day and Charity Day. Ladies' special events included the EdenLea Buderim Fiesta and Club Members' Fiesta.

A new sponsor, BR Solicitors of Buderim, was introduced at the Australia Day event. We appreciate the support of all our sponsors and ask that our members support them whenever they can.

In early May around 40 books were taken from the Ladies' library by a person/s unknown. Since that time, we have received a steady flow of donated books from members of both the Ladies and Men's clubs. Thanks to our Donors, and thanks to Library Co-ordinator Kay Dennings who has "Buderim" stamped the books and keeps the library in good order.

In late July, Buderim Bowls Club hosted a successful Winter Bowls Week. Our ladies enjoyed good competition in several events and also assisted with both food services and umpiring.

The Ladies' club celebrated Elsie Kelly's 90th birthday in September with a special cake to share for Afternoon Tea. I also presented Elsie with her Matriarch badge. Congratulations Elsie.

President's Day on 23rd October was special to me. Despite a big program, everything ran smoothly. I appreciated the floral gifts presented to me by both the Ladies and Men's clubs. Thank-you to Lin Sarjeant and her helpers for the lovely Afternoon Tea, and to Lin for her rendition of "The Novice Bowler". Thank you all.

Mixed Charity "Loud Shirt" Day took place on 13th November, with Cittamani Hospice Service the beneficiary. Jill Spooner gave a short talk on Cittamani's "at home" palliative care service, which is provided at no cost to individuals with a terminal illness and their loved ones. Both the Ladies and Men's clubs have been most generous in supporting both the Wrong Bias Box and Charity Day. Thank you everyone.

A Special General Meeting was held on 26th November, immediately prior to the Annual General Meeting. A Motion was passed that the Ladies' club support Buderim Bowls Club's request to contribute the capped amount of \$7,000 for the purchase and associated costs of a Cook Rite 8 burner/double oven as part of the Kitchen upgrade.

Congratulations to Valda Barrable who was elected President at the AGM, and to the elected members of the new Management Committee, Social and Pennant Selectors. Best wishes for a successful 2019.

Club championship winners and runners-up were presented with their trophies on the 30th October, and next year's singles nomination form is on the board in the foyer with competition to commence on the 29th January.

Our Spring Medley in September was a successful day with 60 men and women from Buderim and other clubs enjoying 4 games of bowls of singles, pairs, triples and fours.

President's Day was held on the 23rd October and Charity Day on 13th November. On the 9th October we played a Club Fiesta Fours with 3 games of bowls. Forty members participated in the day and our generous sponsors enabled us to offer good prizemoney.

Teams in Division 4 and 5 participated in the Pennant competition in August with Division 5 the runners-up and Division 4 unsuccessful but not far behind the winners.

I would like to wish all our ladies and gentlemen members and families a Happy Festive Season.
